9. **Major challenges faced by the program:**
 - a. Lack of sufficient HIB funding for overall HIB CO and school staff trainings in best practices,
 - b. Lack of funding for training and curricular materials,
 - c. Lack of adequate funding for HIB Compliance Officer training.
10. **Future opportunities:** When adequately funded, we have an opportunity to expand trainings around policy and procedures, best practices and other specifics in the area of HIB/bullying prevention and intervention. This is particularly true in the areas of digital/cyberbullying, sexual bullying, hazing, investigating allegations of HIB, and other related areas.
In addition, when funded, we have the opportunity to reconstitute the Anti-HIB Work Group to revisit and update policy and procedures and provide more current best practice information.
