Phone: (314) 432-7534

Fax: (314) 228-0245

Student information privacy policy: <http://greenwaysacademy.com/faq>

### OSPI Approval

Approved as a Multidistrict Online Course Provider since 2012-2013.

### Student Performance and Demographics

Data for school year: 2017-2018

Teacher-to-student ratio: 1:30

Course completion rate: 74.2%

Course pass rate: 72.9%

### Overview

Greenways Academy was founded as an alternative for students whose needs are not being met at traditional schools. Some of our students have difficulty excelling in a traditional school setting because of medical conditions, learning disabilities, psychological issues, or unique scheduling needs. Other students enroll to supplement their school's curriculum with advanced college preparatory courses or unique electives.

Greenways Academy of Washington is proud of our 20 year history of providing education services to students around the globe and our high completion rate. What sets us apart is our ability to adapt to the ever changing face of education. We stay at the forefront of education with active participation in WASC and Advanced Ed.

Our program is for students in grades K-12 offering core subjects as well as foreign languages, fine arts, computer science, career planning, and other electives. With one-on-one teaching for every course, we get to know our students and utilize the strengths of their personalities and learning styles to ensure their success. The flexibility of our program sets us apart from traditional schools, which often try to make all students conform to a pre-set teaching style - regardless of their learning strengths, weaknesses, or personalities.

The flexibility of our program sets us apart from traditional schools by offering students an educational setting that works with their learning strengths, weaknesses, or personalities.

Greenways Academy is currently using PLATO (Edmentum) course ware as well as APEX, Pearson, and Rosetta Stone curriculum. We are currently evaluating other OSPI approved courseware and will seek approval to include them in our offering when we get to that point.

### Course Offerings

Subjects:

- Arts
- Business

Elite athletes

Suffering illness

School phobia

Bi-Polar (adjusting meds)

Asperger's students

Home schooled

Expelled students

Need Credit Recovery

## Student-Teacher Contact Requirements

Greenways is in alignment with the WAC:

(d) "Direct personal contact" means a one-to-one meeting between a certificated teacher and the student, or, where appropriate, between the certificated teacher, the student, and the student's parent. Direct personal contact can be accomplished in person or through the use of telephone, e-mail, instant messaging, interactive video communication, or other means of digital communication. Direct personal contact:

- (i) Must be for the purposes of instruction, review of assignments, testing, evaluation of student progress, or other learning activities or requirements identified in the written student learning plan;
- (ii) Must be related to an alternative learning experience course or course work identified in the written student learning plan; and
- (iii) Must at minimum include a two-way exchange of information between a certificated teacher and the student. All required direct personal contact must be documented.

## Courseware Platform

Greenways Academy has established a student portal for the student to log into and then with the proper security they can access their courses. Of course these courses do run on multiple platforms, but because none of the providers

require plug-ins, the classes run on all mobile devices.

Contained within the providers LMS structure, is the ability to monitor grades and progress, as explained above.
