Overview

Market Square Education maximizes options for schools and students by offering year-round services, open-enrollment, web-based tools, and a responsive support system.

MSE is a fully accredited, progressive, and independent private resource for grades kindergarten through twelfth that supports students in any school. Students flourish as we blend educational components into a cohesive academic approach. Our goal is to provide a responsive educational resource to schools and students. Offering traditional or need-driven- options, we develop solutions that fit needs at a district, school, or student level.

Market Square Education is an Office of Superintendent for Public Instruction (OSPI) approved provider of online curriculum, which can be used exclusively virtual or in a blended model. We offer academic support, subject-endorsed teachers, student engagement monitoring, Alternative Learning Experience (ALE) and Open Doors (OD) reporting requirement fulfillment, professional development, and best practices for optimizing the online learning experience. Secondary students can enroll 365 days a year. We provide credit recovery courses, secondary summer school, recapture of FTEs through alternative learning programs, and advanced placement courses.

Student-Teacher Contact Requirements

Market Square Education teachers are available to students throughout the duration of the course. Teachers respond quickly to emails or messages through Microsoft Teams. Utilizing the benefits of Canvas, and one or more of our professionally built online curricula, teachers are able to give specific feedback to the student on their work.

Students and parents receive progress reports two times per week for the duration of their course. There is potential for districts, schools, and counselors to receive regular and specific reporting.

If a student needs immediate help with a technical issue, our office staff can assist M-F, 9:00-5:00.

Courseware Platform

Canvas, Buzz, and other learning management systems are utilized to deliver professionally designed and built, online curricula. Market Square Education creates its own OSPI approved online courses using Canvas.
