- When opportunity gaps exist, **achievement gaps** form.

 • Any questions?

Breakout Rooms – 45 min

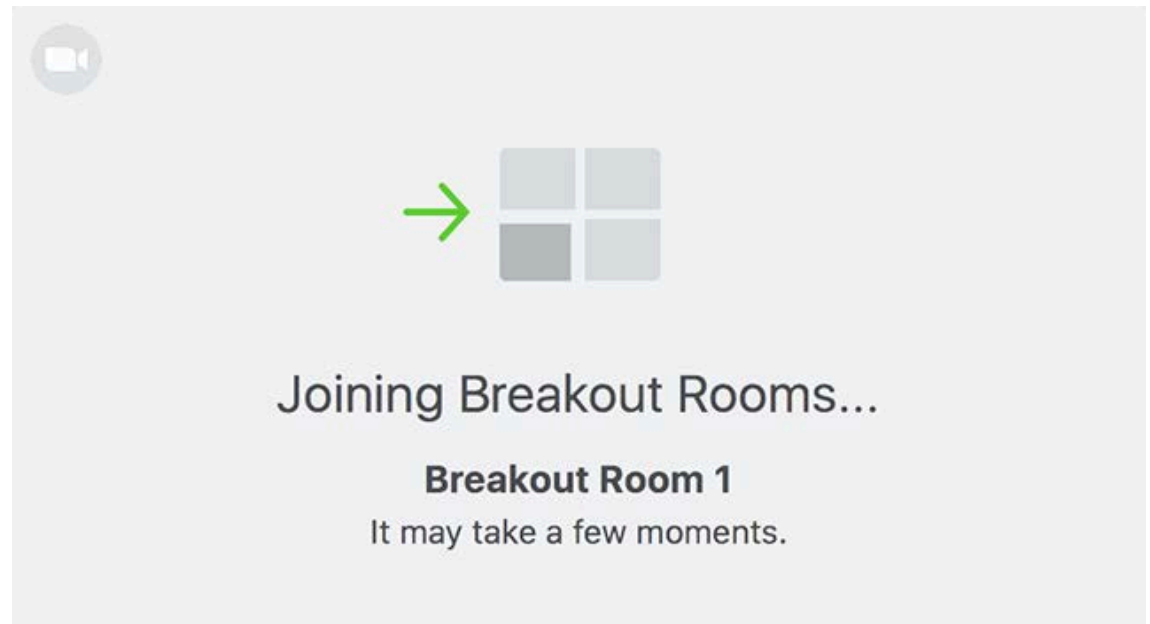

Overarching question:

“Reflecting on the sweeping challenges and changes to the education system due to COVID, how can we take this opportunity to make education more relevant to children of color, in partnership with families and communities of color?”

A facilitator will help guide the conversation and a note-taker will take notes on the main points.

Breakout Rooms

- There will be a 10 minute break after the breakout room session
- You will see this message and then be transferred to your breakout room
- If you are not transferred please wait and we will manually assign you to a room
