B. School Operations

1. Compliance with State and Federal Law. The parties recognize that it is not the intention of this Compact to create a public school district; nor is the intention to generally subject the School to Washington State statutes and rules applicable to school districts and school district boards of directors except as expressly provided in this Compact. 2. Termination for Cause.

(a) The parties may terminate this Compact for cause if either party breaches this Compact or fails to cure a breach of the Compact's terms.

(b) The non-breaching party will notify the breaching party of the non-breaching party's intent to terminate the Compact for cause. The notification will be in writing and will state with specific reasons why the non-breaching party believes the Compact should be terminated, including:

- (i) The Compact term, condition, or assurance that the non-breaching party believes the breaching party has violated, or other ground for termination; and
- (ii) The evidence indicating that the Compact term, condition, or assurance has been violated.

(c) The notification will invite the breaching party to participate in a government-to-government meeting to occur within 14 days, for the purpose of discussing the alleged breach and, if appropriate, engage in dispute resolution in accordance with this section.

3. Mediation.

(a) If the government-to-government meeting between the parties fails to resolve the dispute, any participating party may, within five (5) business days of completing the government-to-government meeting, make a written request for mediation to be conducted in Seattle, Washington or at another place as the parties may agree in writing. The parties shall attempt to reach agreement on the selection of the mediator within fifteen (15) business days of the date the written mediation request letter was received by the other party. If the parties cannot reach agreement on a mediator, the mediation will be administered by J.A.M.S., Seattle, Washington Office using a J.A.M.S. mediator and protocol, or another mutually agreeable dispute resolution service and protocol.

(b) In the event that the parties are unable to reach a mutually agreed upon resolution either through direct discussions or mediation, the non-breaching party may terminate the Compact for cause and/or seek relief as permitted under this Compact.

C. Effect of Nonrenewal or Termination

1. Winding Up. Upon termination of this Compact for any reason, upon expiration of the Compact, and if the School ceases operations or otherwise dissolves, the Superintendent may supervise the winding up of the business and other affairs of the School; provided, however, that in doing so the Superintendent will not be responsible for and will not assume any liability incurred by the School under this Compact. The Muckleshoot Indian Tribe and School personnel will cooperate fully with the winding up of the affairs of the School. The School's obligations for following a termination protocol and winding up of the affairs of the school shall survive the term of this Compact.

2. Disposition of Assets. All assets, including tangible, intangible, and real property in use by the School but originally owned by the State, or assets purchased using up to 25 percent of

public funds allocated by OSPI, are the property of the State and shall be returned to the State upon nonrenewal or termination, in accordance with relevant law.

VII. GENERAL

1. Merger. This Compact, the Final Approved Application, and all attachments, exhibits and amendments thereto, contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Compact shall be deemed to exist or to bind any of the parties hereto.

2. Amendments. No amendment to this Contract will be valid unless ratified in writing by the Superintendent and the Muckleshoot Indian Tribe and executed by authorized representatives of the parties, except as may be required by RCW 28A.715.020(3)(f) and state legislation or rules enacted after the effective date of this Compact.

3. Governing Law and Enforceability. This Compact shall be construed and interpreted in accordance with the laws of the state of Washington. For the limited purpose of this Compact, the Muckleshoot Indian Tribe consents to the jurisdiction of Washington State courts, and the venue of any action brought hereunder shall be in Thurston County.

4. Severability. If any provision of this Compact or any application of this Compact to the School is found contrary to law or invalid, such provision or application will have effect only to the extent permitted by law and the invalidity shall not affect the validity of the other terms or conditions of the Compact.

5. Waiver. The parties agree that no assent, express or implied, to any breach by either party of any one or more of the provisions of this Compact shall constitute a waiver of any other breach. No term or condition of this Compact shall be held to be waived, modified, or deleted except by a written instrument signed by the parties.

6. No Employee or Agency Relationship. Neither the Muckleshoot Indian Tribe, its employees, agents, nor contractors are employees or agents of the Superintendent. The Superintendent and his or her employees, agents, or contractors are not employees or agents of the Tribe or the School. None of the provisions of this Compact will be construed to create a relationship of agency, representation, joint venture, ownership, or control of employment between the parties other than that of independent parties compacting solely for the purpose of effectuating this Compact.

7. Limitation of Liability.

(a) In no event will either party, or their agencies, officers, employees, or agents, be responsible or liable for the debts, acts or omissions of the other arising from this Compact.

(b) Neither the Muckleshoot Indian Tribe nor the Superintendent are creating, or intend to create, any rights in third parties which would result in any claims of any nature whatsoever

against the Tribe or the State as a result of this Compact. Neither the Tribe nor the State has waived immunity from third party suits or claims of any kind against them, and nothing contained in this Compact shall be construed to effect a waiver, in whole or in part, of said immunity.

8. Non-Assignment. Neither party to this Compact shall assign or attempt to assign any rights, benefits, or obligations accruing to the party under this Compact unless the other party agrees in writing to any such assignment.

9. FERPA. The parties recognize that they are both bound by the requirements of the Family Educational Rights and Privacy Act and its implementing regulations (20 U.S.C. § 1232g; 34 C.F.R. Part 99) (“FERPA”), and they will safeguard such information in accordance with the requirements of FERPA.

10. Order of Precedence. The items listed below are incorporated by reference herein. In the event of an inconsistency in this contract, the inconsistency shall be resolved by giving precedence in the following order:

- (a) Applicable Federal and Washington State laws, regulations, and guidelines;
- (b) Terms and Conditions of the Compact;
- (c) The Final Approved Application (hereby incorporated into the Compact as **Appendix A**);
- (d) Any other provisions incorporated by reference or otherwise into the Compact.

11. Collective Bargaining. No state collective bargaining requirements shall apply to the Tribe or School under this Compact.

12. Reservation of Rights. Nothing in this Compact is intended to limit the Tribe or School’s ability to take any action in the operation of the School where such actions are consistent with the terms of this Compact.
