ABOUT THE PROGRAM

The Washington State Multilingual Education Program oversees and guides districts serving multilingual English learners. These programs are designed to address the unique needs of eligible students who come from linguistically and culturally diverse backgrounds. Multilingual Education/Title III provides your child with free, additional, professional language and literacy assistance. This can include additional Tribal History lessons, Tribal Language lessons, or culturally based literary activities.

ELIGIBILITY

Your child can qualify for support by being American Indian/Alaska Native, academically at-risk, and by scoring below the Proficient level on the WIDA Screener. Documented tribal affiliation or enrollment is not a requirement for Title III eligibility.
