

# PROGRAM Intervention Plan

**Student Name:** Santa Claus **Grade:** 12

**Month of:** November

**COURSE(S) OF STUDY:** Geometry, US History, Biology

**Modify** how our direct weekly contact is achieved

**Increase** the frequency and time spent each week with the student to enhance student achievement

**Modify** the student's learning goals and performance outcomes

**Modify** the number of courses being taken in WSLP and the scope and sequence of the learning goals and objectives

## **COURSE OF STUDY: Geometry**

### **• GOAL(S) FOR THE MONTH:**

- For the month of October, Santa will be working on catching up from missing assignments. The plan is to have Santa working with me twice per week either in person or on Skype to make up those assignments where he was frustrated and confused with Operations and Sets and Undefined Terms.
- Santa will complete the following:
  - Unit 1: Lesson 3 Mathematic System: Operations and Sets
  - Unit 1: Lesson 5 Geometry Undefined Terms: Point

## **COURSE OF STUDY: US History: Foundations to the Present**

### **• GOAL(S) FOR THE MONTH:**

- For the month of October, Santa will be working with me to better understand the Puritan Migration and the Settlement of New England.
  - We will work together on Skype every Tuesday and Thursday from 1:00-2:00 pm.
  - Our goal is to help Santa better understand the importance of the settlement and its value to US History.

## **COURSE OF STUDY: Biology**

### **• GOAL(S) FOR THE MONTH:**

- Santa is having some difficulty understanding Carbohydrates and Lipids, so we are going to work together on an experiment to help him better understand these terms.
  - Experiment: Sugar and Starch from Odysseyware
    - Due: 10-12-2014 at our weekly conference
    - Additional time each Wednesday on Skype to work on his understanding of vocabulary and assignments to get him back on track.

# PROGRAM Intervention Plan

Santa is working on his courses, but is finding some course vocabulary to be difficult. When he runs into this issue, he tends to shut down and stop working. The goal is to spend more time with Santa each week on Skype as well as in person to help keep him focused and on track.
