<p>1. What subject area is your team emphasizing? (If addressing both subject areas, complete separate application for each.)            Reading <input type="checkbox"/> and/or Mathematics <input type="checkbox"/></p>			
<p>2. Describe the leadership team who will represent the school. (Use no more than two pages.)</p>			
<p>3. Attach WASL data showing consistent progress in student scores over the past three years in the proposed subject area. (Use no more than two pages.)</p>			
<p>4. Provide any other data to document improvement in student learning in the subject area you have selected. (Examples are ITBS scores, subject matter tests, pretests and/or post tests, other assessment data.) (Use no more than two pages.)</p>			
<p>5. Provide a chronological listing of how the school began its school improvement process, citing milestones, community partners, and other important factors in the implementation of your strategy. (Timeline chronology should be consistent with timeline of school improvement data and directly related to subject area emphasized.) (Use no more than two pages.)</p>			
<p>6. Describe how your school process addresses the <i>Nine Characteristics of High Performing Schools</i>. (Use no more than three pages.)</p>			
<p>7. Cite specific strategies and how they led to your school's success in student achievement in the subject area defined above and what you are doing to continue the trend. (i.e., Address specific special populations and demographics, effective instructional strategies and curriculum materials, professional development which made a difference, and a specific school model, if used.) (Use no more than three pages.)</p>			
<p>8. Describe how the strategies described above could be replicated in other schools and district settings. (Use no more than three pages.)</p>			
Signature of Superintendent or Designee			Date
