1. Which area is your school emphasizing:

- Exceptional student performance for two or more years. Mathematics or Reading
 Significant progress in closing the achievement gap between students. Mathematics or Reading

*Please provide information in the following three areas.
 Responses should be in 12-point font, double spaced, and with one-inch margins.*

2. Provide WASL data and other relevant documentation to substantiate student improvement learning for school years ending in 2005 and 2006 in the subject area your school is emphasizing. (2 pages)

3. How have you used your Title I funds to effectively meet academic standards and assist in achievement with low performing students? (1 page)

4. Cite specific strategies and how they led to your school's success in student achievement in the area you are emphasizing and what you are doing to continue the trend. (Components to consider: teaching and learning based on approved state standards, research-based instruction, coordination with other programs, opportunities for all students to achieve, professional development, partnerships with parents/families/communities.) (3 pages)

Signature of Superintendent or Designee

Date
