Purpose

The 2011–12 *S-275 Personnel Reporting Handbook* provides school districts and educational service districts (ESDs) with instructions for reporting certificated and classified staff to School Apportionment and Financial Services at the Office of Superintendent of Public Instruction (OSPI).

Initial data for certificated and classified staff for 2011–12 are due in OSPI:

<u>FORM NO.</u>	<u>TITLE</u>	<u>DUE IN OSPI</u>
S-275	Annual School Personnel Report	November 1–23

This bulletin, Form S-275, and the S-275 Personnel Reporting Handbook are posted at:
<http://www.k12.wa.us/safs/INS/PER/1112/ph.asp>.

S-275 Personnel Report

Submit a report for each employee who, as of October 1, 2011, is contracted or hired to provide services any time during the 2011–12 school year.

Reporting Instructions

There are no changes from last year's instructions.

School districts are responsible for preparing and transmitting their S-275 data to OSPI through one of the following procedures:

- Washington School Information Processing Cooperative (WSIPC) customers will have their S-275 data files automatically transmitted via file transfer protocol (FTP) to OSPI upon request through their WSIPC application.
- Non-WSIPC customers will continue to FTP their S-275 data files as they do now.

Use the following instructions for accessing the Education Data System (EDS) S-275 reporting system:

1. School and school district personnel completing and submitting the report must first contact their District Data Security Manager to be given access to the reporting system. If you do not have a username and password, your District Data Security Manager can establish these for you at that time. A list of Data Security Managers for each district is available at this URL:
<https://eds.ospi.k12.wa.us/SecurityManagerList.aspx>.

Data Security Managers will be able to assign the following role:

SAFS District Personnel User

District designated users with this role can:

- Run/View/Print the update journal error report.
- Run/View/Print the 1801, 1803, and S-275 edit reports.

2. After you obtain your user name and password from your District Data Security Manager and have been assigned the appropriate role(s), you must log into OSPI's EDS at <https://appport.eds.ospi.k12.wa.us> with your email address as your username and password. The S-275 reporting system for 2011–12 is scheduled to be available to districts on November 1, 2011. If you are new to the EDS system, follow Step 3 below to establish a password. If you have already established your password, skip to Step 4 below.
3. Please note that the password is case sensitive and you will be prompted to change your password once you successfully log into the system. Passwords must be at least eight characters and must include (a) one upper case letter, (b) one lower case letter, (c) one numeric digit, and (d) one special character (*\$+?_&=!%{}/). **Do not** use the phrase 'pass.'
4. Please update your contact information when shown the “My Contact Information” screen. This will enable us to communicate with you more effectively as our distribution lists are generated through this feature.
5. Click the “My Applications” tab to view a list of the applications that are currently available to you. Select the SAFS link, then the “Personnel” tab, and then follow the instructions on the application for requesting your reports.
6. At the SAFS level, click on the “Info Center” tab to access the Personnel User Manual.
