# What is IT Academy?

---

- Partnership between OSPI and Microsoft
- Available to every high school at no cost
- Digital Literacy
- Curriculum
- Professional development
- Access to software resources
- Free certification tests for staff and students

# Microsoft IT Academy Implementation Timeline

Moodle: <http://edtech.ospi.k12.wa.us/course/view.php?id=7>

# How does it impact me?

---

- Provides great resources
- Allows integration of IT skills into content areas
- Provides professional development and certification opportunities

# Common Core Standards

---

A state-led effort coordinated by the National Governor's Association (NGA) and the Council of Chief State School Officers (CCSSO), with assistance from Project Achieve, ACT and SAT (College Board).

- » Equity
- » Clarity
- » Collaborative among states
- » National alignment

# Implementation

---

## **Phase 1:** (2010-2012)

Awareness and understanding, alignment, and adoption

## **Phase 2:** (2011-2013)

Build statewide capacity, develop resources and materials

## **Phase 3:** (2012-2014)

Deliver professional development and classroom transition

## **Phase 4:** (2013-2015)

Statewide implementation through the assessment system

# Current CTE Standards

---

- Adopted in 2003
- Based on SCANS
- Reflected industrial society
- Based on employer survey
- Essential embedded component of all WA CTE programs

# Philosophy of 21st Century Skills

---

- Formed in 2002
- Partnership between business, education, community and government
- Original members included AOL Time Warner, Apple, CISCO, Dell, and Microsoft
- Aligned with Common Core Standards

# SKILLS FOR FUTURE CENTURIES

Technical Skill Standards

Common Core & WA State Standards

21st Century Skills

Learning & Innovation  
Information, Media & Technology  
Life & Career Readiness

Career and Technical Education (CTE) – Washington believes a comprehensive education culminates in 21st century readiness for college, careers and civic responsibility. We believe in students prepared to flourish in a dynamic, global economy.

State CTE courses exemplify the intentional synthesis of technical knowledge and skills, traditional academics, and 21st century skills as outlined by the Partnership for 21st Century Skills.
