## Fingerprint Background Check Instructions For Approved Private Schools

Washington State law (RCW28A.195.080) authorizes approved private schools to require their employees with regularly unsupervised access to children be fingerprinted for a record check through the Washington State Patrol (WSP) and Federal Bureau of Investigation (FBI).

Each educational service district (ESD) office within Washington State has the ability to process fingerprints electronically using live scan technology. Provided your fingerprints are of good quality, live scan greatly reduces the turnaround time. However, if you have worn worn ridge detail you will benefit by having your fingerprints taken with black printer's ink using the ink-and-roll method.

You may select one of the following options to complete the fingerprint process:

- (1) You may complete the electronic live scan fingerprint process in person at one of the ESD locations listed below. Please contact the ESD of your choice for information regarding the submission of your fingerprints through the live scan process and any additional processing fees they may charge. **The fingerprint background check fee is \$43.50, plus the ESD's processing fee.**
- (2) If you are fingerprinted by an agency other than an ESD office using the ink-and-roll method, you must use the enclosed fingerprint card and follow the instructions on the reverse side of this sheet. For processing, **mail the completed fingerprint card and money order, cashier's check, or personal/business check made payable to the Office of Superintendent of Public Instruction (OSPI) in the amount of \$43.50 to: OSPI, Attention: Fiscal Office, P. O. Box 47200, Olympia, WA 98504-7200.**
- (3) You may have your fingerprints processed manually by the WSP Criminal Records Division located at 3000 Pacific Avenue, Olympia, WA 98504; but you must first pay the background check processing fee to OSPI and obtain an Electronic Applicant Submission form. Having your fingerprints processed manually ensures the WSP will not reject your fingerprints due to poor print quality. **The cost for processing fingerprints manually is \$53.50, plus the WSP's processing fees.**

Information on both the fingerprinting and certification process can also be obtained by accessing the Office of Superintendent of Public Instruction's web page at [www.k12.wa.us/certification](http://www.k12.wa.us/certification) (for certification information) or <http://www.k12.wa.us/ProfPractices/fingerprint> (for fingerprint information).
