

Appendix USVI-2: Grade 9 and 10 Math & ELA

OBJECTIVE AND SCOPE OF WORK

In addition to the focus of the main document soliciting support in administering the Smarter Balanced ELA and mathematics assessments, U.S. Virgin Islands is soliciting for services to also ELA and mathematics assessments at grades 9 and 10.

Requirements for this agency-specific assessment purpose will follow the same protocols and expectations for administration of math and ELA at grade 11. Bidder will identify any elements of fulfillment specific to the Technical Proposals that are beyond the scope (other than the additional; students and grade levels) or are different in nature from what is required of the Smarter Balanced mathematics and ELA tests administered at grade 11.

FUNDING

Exact financial terms shall be determined during the contracting activities for each agency.

Any contract awarded as a result of this procurement is contingent upon the availability of funding. The Bidder shall provide their most favorable and competitive cost estimate to perform the work.
