Addendum 2 to
SMARTER Balanced Assessment Consortium Request For Proposals (RFP):
SBAC RFP-14

Note to potential respondents:

- This Addendum is intended to revise, clarify and become part of the *SMARTER Balanced Assessment Consortium Request for Proposals for SBAC Pilot Item/Task/Stimulus Research, Development and Reviews*, RFP (SBAC RFP-14), issued December 13, 2011.
- All amendments, addendums, and notifications will be posted on the OSPI Web site and released via the Washington Electronic Business Solutions (WEBS) Web site.

Regardless of what happens here in Puget Sound overnight (January 17, 2012) regarding the weather, vendors shall adhere to the timelines provided in RFP No. 14. If proposals cannot be delivered via express couriers by the deadline (January 18) due to weather, dates related to attempted deliveries will be verified so we may accept proposals as compliant within the requirements.

Depending on the impacts created by any weather events on the remainder of the planned timeline, OSPI and SMARTER will need to address that as the situation arises.
