

**2017-2019 Healthy Kids – Healthy Schools Grant Program
Nutrition, Physical Education and Physical Activity, Student
Sustainability Awareness**

Frequently Asked Questions and Answers

1. **Question: Some of our schools do not have water bottle filling stations. Are we able to request water bottle filling stations in this grant even though there is not a specific category for that?**

Answer: Yes a district may apply for water bottle filling stations under the nutrition category.

2. **Question: We have a pre-school owned and operated by the school district and housed at the district high school. Can we apply for a physical education and activity grant for our pre-school children?**

Answer: Yes. The district will submit the application. The request will be for the high school given the pre-school program is housed at the high school facility.

3. **Question: We are applying for a grant in the Student Sustainability Awareness category. Do we need to complete all of the (4) sections in District Readiness?**

Answer: Yes.

4. **Question: Where can we find the Planning Assurance Checklist that is required to be uploaded with our application?**

Answer: The link to the Planning Assurance Checklist is on page 1 of the application in iGrants, under Key Points, bullet #10. [You can also find it on the grant webpage.](#)
