<sup>1</sup> This directions page guides students towards the “proficient” level (level “3”) for this CBA. To help students reach “excellent” (level “4”), please refer to the rubric or, if available, the graphic organizer.

<sup>2</sup> Students may do a paper or presentation in response to the CBA provided that for either format, there is documentation of this response that someone outside their classroom could easily understand and review using the rubric (e.g., a videotaped presentation, an electronic written document).
