**The SAT[®] or SAT with Essay[®] or ACT[®] (no writing) or
 ACT with Writing[®] Fee Voucher Application
 College Admission Test Score Graduation Alternative**

This fee voucher application is for use by high school students who are registering to take the SAT[®] or SAT with Essay[®] or the ACT (no writing) or the ACT with Writing[®] test as a “graduation alternative” to meet the State of Washington assessment graduation requirements for math, science, and/or English language arts (ELA).

Eligibility Requirements: To be eligible for a fee voucher, the student must have taken the high school assessment at least once in the applicable content area and have not achieved the required score on the test or met the assessment requirement through another graduation alternative. Students transferring into a Washington public school in the 12th grade are also eligible to use this voucher.

One-time Use: A student is eligible to use a fee voucher one-time for the SAT[®], SAT with Essay[®], ACT[®] (no writing) or the ACT with Writing[®] test. Once the voucher has been submitted, it will be considered used even if the student does not take the test.

Voucher Guidelines: This voucher covers ONLY the cost of registration for taking these tests, including reports to the student’s high school and up to four college choices (if valid codes are provided on the mail-in paper registration form). Vouchers may not be used to pay for:

- Late/standby registration fees
- Additional college codes/reporting choices
- Test, date, or center change fees
- Online test preparation
- SAT Subject Tests[™]
- Test Information Release, Student Answer Verification Services
- Publications
- Advanced Placement[®] Exams

Procedures: The student and his/her principal or designee must complete the information below and include this form with the **mail-in** paper registration form. Students may not use a voucher for payment when registering on the Internet or by phone.

Include this with the completed SAT or ACT mail-in paper registration form.
Your registration and voucher must be postmarked by the regular registration deadline for your test date.
If it is postmarked later, you must pay the late registration fee.
