APPLICATION INSTRUCTIONS

Only COMPLETE applications (all items except your fingerprint cards) will be accepted by the educational service district (ESD) for processing by the Office of Superintendent of Public Instruction.

It is your responsibility to collect the items needed for evaluation for certification and submit them in one envelope to the ESD Office. Do not request that any of the items be sent directly to this office (OSPI).

All fees are non-refundable.

Washington State law requires that any applicant who does not hold a valid Washington certificate at the time of application must be fingerprinted for a state and national background check. Since this could delay the application, we urge you to initiate this process as soon as possible.

Fingerprints. You may select one of the following options to complete the fingerprint process:

- A. You may complete the fingerprint process in person at one of the ESD locations listed on page utilizing the Live Scan electronic fingerprinting process. This process does not require a fingerprint card and is subject to an additional processing fee. Please contact the ESD of your choice for details.
- B. If your fingerprints are worn and not easily discernable the State Patrol recommends you have your prints processed by the ink and roll method using the fingerprint card and instruction sheet which can be obtained from our office. Once you have the card and instructions, this may be completed by contacting a law enforcement agency that will fingerprint applicants for non-criminal background checks. Please check with the agency for additional processing fees. Some ESD offices may provide the ink and roll method in addition to the electronic Live Scan.

If the background check reveals a criminal record, or if you answer "yes" on the character and fitness supplement (Form SPI/CERT 4020B), your application materials will be forwarded to the Office of Professional Practices for review. This may delay the certification process for several months. The Professional Certification office cannot act on your application materials until clearance is received from the Office of Professional Practices.

Upon receipt of appropriate materials (excluding testing) and fee(s) and upon determination of eligibility, the ESD can issue the applicant a temporary 180-day permit, which allows employment while awaiting final certification.
