## INSTRUCTIONS FOR FORM SPI 1160

### WHO MUST COMPLETE FORM SPI 1160?

School districts should submit this optional report form if they want the Office of Superintendent of Public Instruction to use enrollment other than that reported for October 2010, to determine the school district's 2010–11 staffing ratios.

### PURPOSE

Unless a school district submits Form SPI 1160, OSPI will use October 2010 enrollment in calculating school district ratios of staff-to-students. If the school district requests the use of a different month's enrollment by submitting Form SPI 1160, OSPI will use that month's enrollment in calculating the school district's ratios of staff-to-students. These ratios affect the school district's eligibility for state basic education and full-day kindergarten funding as determined by the Biennial Operating Appropriations Act.

### DETAILED INSTRUCTIONS

Check the box labeled Option 1 to select a month other than October 2010. Enter the name of the desired month in the box provided.

Check the box labeled Option 2 to select the school district's annual average enrollment for the 2010–11 school year.

OSPI will use enrollment reported on Form SPI P-223 for the enrollment period selected under either Option 1 or Option 2.
