

"After-Exit" Running Start Declaration of Intent Form | Summer 2024

Pursuant to [Substitute Senate Bill 5187\(522\)\(2\)\(i\)](#), Class of 2024 students who have graduated high school by June and are within 15 credits of an associate degree may enroll in summer quarter Running Start. For graduating students, enrollment is limited to community and technical colleges and only the courses required to complete an associate degree, up to a maximum of 15 college credits. Non-graduating students who have met the 1.40 Annual Average Full-Time Equivalent (AAFTE) limit during the standard school year or non-graduating 5th year (or beyond) seniors who have reached maximum enrollment over multiple 12th grade years are also eligible and may enroll at any institution offering Running Start for a maximum of 10 college credits. Complete this form to verify each student's eligibility and ensure the graduation-eligible student's enrollment remains open until the end of the summer quarter.

Student Eligibility for 2024 After-Exit Funding (Select which option applies.)

☐ Is graduating with the Class of 2024, believes they are within 15 credits of earning an associate degree (the college will confirm), and will enroll at a community or technical college to complete only the courses required for the degree.

☐ Will not graduate and has met one of the following Running Start AAFTE limitations for the 2023–24 school year.

- Has been claimed by the high school and the college for a combined AAFTE of 1.40;
- Has been claimed by the college for an AAFTE of 1.40; or
- Is a 5th year (or beyond) senior who met the maximum Running Start enrollment limit over multiple 12th grade years.

The signature below confirms that the district has verified the student's eligibility to participate in summer 2024 quarter based on the AAFTE limitation or as a graduate of the Class of 2024. The community or technical college must confirm that the student is within 15 college credits of earning an associate degree, if applicable. The district hereby acknowledges the need to continue any participating graduation-eligible student's enrollment until grades from the summer college term are received, to accurately include earned credits on the official high school transcript and to report the student's graduation type via the district's student information system.
