

Skills Center Minor Works – Puget Sound Skills Center 2023–25 Capital Project Request

Project Title: Skills Center Minor Works – Puget Sound Skills Center

Starting Fiscal Year: July 1, 2023

Project Summary

The Office of Superintendent of Public Instruction (OSPI) requests \$9.08 million on behalf of the Directors of the Washington State Skills Centers to fund their highest priority minor works projects (see Appendix A) based on a prioritized list of projects developed by the skills center directors working in collaboration with a consultant.

Project Description

The skills centers directors identified 21 projects (see Appendix B) totaling \$9.08 million in need to address building systems which impact student learning, safety, and health.

Working in collaboration, the skills centers directors developed a list of high priority projects and hired a consultant, Arculus PLLC, to review the projects, validate cost estimates, and assign a priority rank for each project.

The scoring methodology was developed by a deficiencies severity scoring method, assigning priority and deferability utilizing these categories:

- Health, safety, environment
- Facility use
- System use
- Increased repair/replacement cost
- Increased operating cost
- Quality of use

Puget Sound Skills Center’s minor works projects addresses building improvements and safety projects. Total cost estimates for these projects: \$1.4 million.
