June 10, 2020

Dear Superintendent of Public Instruction Reykdal,

The Suquamish Tribe wishes to renew the State of Washington - Suquamish Tribe Education Compact with OSPI for an additional three (3) year term as contemplated in Part II of the Compact.

The Suquamish Tribe will continue our grade six through grade twelve configuration at Chief Kitsap Academy and follow all assurances as outlined in the compact. We look forward to our continued excellent relationship with OSPI and the Office of Native Education.

We will continue to provide a meaningful and quality education for our community.

Regards,

Leonard Forsman
Suquamish Tribal Chairman
