

FRESH FRUIT & VEGETABLE PROGRAM

Application Information

The LEA name is the name of the school district (if public) or the sponsoring organization (if private). The LEA official is typically the superintendent or designee. It must be an individual employed by the LEA (not a food service director from a food service management company).

Each individual listed; must sign this form and submit to OSPI via mail, email, or fax as part of the application packet.

FFVP Site Application

A Site Application form must be submitted for each school that wants to be considered for participation annually. Use the most recently published [October Building Report](#) to obtain each school's free and reduced-price percentage.

Please summarize the plan for implementing or continuing this program on your application. If your site is granted funding, you will be required to complete a more detailed program implementation plan prior to operating FFVP for the 2019-2020 school year.

The individuals listed are indicating their support of the application and ensuring the program will be implemented according to the FFVP rules. The form **must** be signed by each individual listed; it may be submitted to OSPI via mail, email, or fax as part of your application packet.

FFVP Signature Authority

The Signature Authority form identifies the individuals authorized to submit an application and claim documents for the LEA. It is best practice to have at least two individuals identified on this form. This form is required for new and current FFVP operates. Submit this form prior to completing your first claim.
