## PURPOSE/BACKGROUND

The purpose of this bulletin is to release the 2020 Summer Special Milk Program application. Any nonprofit organization providing organized childcare or a residential camp may apply for participation in the Special Milk Program (SMP).

The SMP provides milk to children in schools, childcare institutions, and eligible camps that do not participate in other federal child nutrition meal service programs. The program reimburses schools and institutions for the milk they serve. The current rate of reimbursement is \$0.2150 per half-pint of milk. Reimbursement rates may change, effective July 1, 2020, but have not yet been released.

Funds for this program are provided by the Special Milk Program for Children, Catalog of Federal Domestic Assistance (CFDA) #10.556.

## THE APPLICATION PROCESS

Sponsors wishing to participate in the SMP for summer 2020 must upload application documents into the Washington Integrated Nutrition System (WINS). Instructions on how to upload document into WINS can be found on the CNS WINS webpage.

**Applications are due June 8, 2020.** Applications received late, may not be approved in time to allow milk to be claimed at the start of the program.

Specific information will be collected in the application process. *Attachment 1–Special Milk Program Application and Program Information* provides descriptions about terms used in the SMP and some of the information to be collected.

The SMP application process includes the following steps:

1. Online Application in WINS:

New and returning sponsors must complete an online application in WINS. WINS is an online system used to collect application information and to process claims for reimbursement.

New sponsors must designate a WINS Sponsor Administrator by signing and submitting *the Access Rights/User Authorization for Child Nutrition Programs* form. Once the authorization is processed, an email from *noreply.WINS@k12.wa.us* will be sent to the system administrator with a username and link to the WINS sign on webpage.

Returning sponsors should review and update all sponsor information in the 'Sponsor Profile–Sponsor Information' tab in WINS. **Ensure contact information, including e-mail addresses, are current and entered correctly.** Sponsor applications for 2020 can be added by selecting the Renew Application button on the 'Applications' tab and completing the Sponsor Application Wizard. Next, go to the 'Sponsor Profile–Current Overview' tab to view a list of sites. For each site that will serve milk, complete a site application, create site calendars, and review/update staff information.

2. Child Nutrition Financial Report (CNFR) in WINS:

Returning sponsors must complete the CNFR in WINS as part of the renewal agreement. The CNFR compiles financial data about SMP operations in the prior program year. For summer 2020, the CNFR will represent summer operations 2020.

From the sponsor profile page, select the CNFR tab. Choose 'Add' from the CNFR tab. Enter information as requested and pertinent to the SMP. The report requests information about meals. SMP operators should respond with information about milk sales and milk costs. [Resources and training videos on how to navigate WINS](#) are available on the CNS WINS webpage.

3. Application Forms and Documents:

The application includes completing specific forms and documents depending on the type of sponsor. The Special Milk Program–Summer Application Checklist provides a list of these forms and documents. Documents must be uploaded into WINS. Instructions on how to upload documents into WINS can be found on the CNS WINS webpage.
