PURPOSE/BACKGROUND

The Western Regional Office of the U.S. Department of Agriculture (USDA) has extended the automatic eligibility of participants in Washington State's Early Childhood Education and Assistance Program (ECEAP) for a one-year period. The waiver covers children participating in child care centers or local education agencies (LEA) that claim meals under the Child and Adult Care Food Program (CACFP), National School Lunch Program (NSLP), and the School Breakfast Program (SBP).

This approved waiver is effective July 1, 2021, through June 30, 2022.

AUTOMATIC ELIGIBILITY FOR ECEAP PARTICIPANTS

Institutions that feed and claim children enrolled in ECEAP are not required to collect income applications. Children enrolled in ECEAP are automatically eligible for free meal benefits without further application or eligibility determination. Automatic eligibility does not extend to siblings. Conditions for automatic eligibility are:

1. The child must be enrolled as a participant in ECEAP under the Washington State Early Childhood Education and Assistance Act.

2. The child care center or LEA must have a list on file from the ECEAP contractor of children enrolled as participants in ECEAP.
 - a. This documents eligibility for free meals and should be obtained prior to the start of the program.
 - b. Without the contractor list, students enrolled in an ECEAP begin the school year in the paid eligibility status.
 - c. Even if enrollment changes are anticipated, it is best to obtain an initial list and make additions or changes as they occur.
 - d. Children enrolled in an ECEAP are determined to be automatically eligible for free meal benefits and should be excluded from verification for the NSLP/SBP as they are considered directly certified.
