PURPOSE/BACKGROUND
The purpose of this bulletin is to release the 2022 Summer Special Milk Program application. Any nonprofit organization providing organized child care or a residential camp may apply for participation in the Special Milk Program (SMP). Funds for this program are provided by the Special Milk Program for Children, Catalog of Federal Domestic Assistance (CDFA) #10.556.

The SMP provides milk to children in schools, childcare institutions, and eligible camps that do not participate in other federal child nutrition meal service programs. The program reimburses schools and institutions for the milk they serve. The current rate of reimbursement is $0.22 per half-pint of milk. Reimbursement rates may change, effective July 1, 2022, but have not yet been released.

Applications are due June 8, 2022. Applications received late may not be approved in time to allow milk to be claimed at the start of the program.
THE APPLICATION PROCESS

Specific information will be collected in the application process. Attachment 1–Special Milk Program Application and Program Information provides descriptions about terms used in the SMP and some of the information to be collected.

The SMP application process includes the following steps:

1. Submit Applications in the Washington Integrated Nutrition System (WINS)

      i. New Sponsors
         Designate a WINS Sponsor Administrator by signing and submitting the Access Rights/User Authorization for Child Nutrition Programs form.
         Once the authorization is processed, an email from noreply.WINS@k12.wa.us will be sent to the system administrator with a username and link to the WINS sign on webpage.
      ii. Returning Sponsors

         • Create site calendars.
iii. Upload application documents into WINS. The application includes completing specific forms and documents depending on the type of sponsor. These forms must be uploaded into WINS. Use the Adding Documents in WINS guide for details on uploading documents into WINS. The WINS Sponsor Application will indicate what documents will need to be uploaded.

   Returning sponsors, who are not school districts, must complete the CNFR in WINS as part of the renewal agreement. The CNFR compiles financial data about SMP operations in the prior program year. For summer 2022, the CNFR will represent summer operations 2021.
