

OSPI CNS School Meal Programs Renewal Application Checklist

SY 2022–23 NSLP/ SBP Renewal Checklist

Local Education Agencies (LEAs) planning to operate the National School Lunch and School Breakfast Programs (NSLP/SBP) during School Year 2022–23 (SY 22–23) must complete a program application.

LEAs may use this checklist as a guide to complete the SY 22–23 application. You do not need to return this form to OSPI. We recommend gathering all your required materials before starting your Washington Integrated Nutrition System (WINS) program application and [SY 22–23 Document Submission Form](#).

Due to the public health crisis, USDA Child Nutrition Program requirements are subject to change both as updated guidance is received from the USDA and at the discretion of the State Agency. Please check CNS Updates and OSPI's website for all important updates and/or changes.
