

# Entering Local CTE Graduation Pathways into EDS Tutorial

May 2020

Washington Office of Superintendent of  
**PUBLIC INSTRUCTION**

Welcome!

Thank you for coming!

We're glad you're here!

# Sound Check

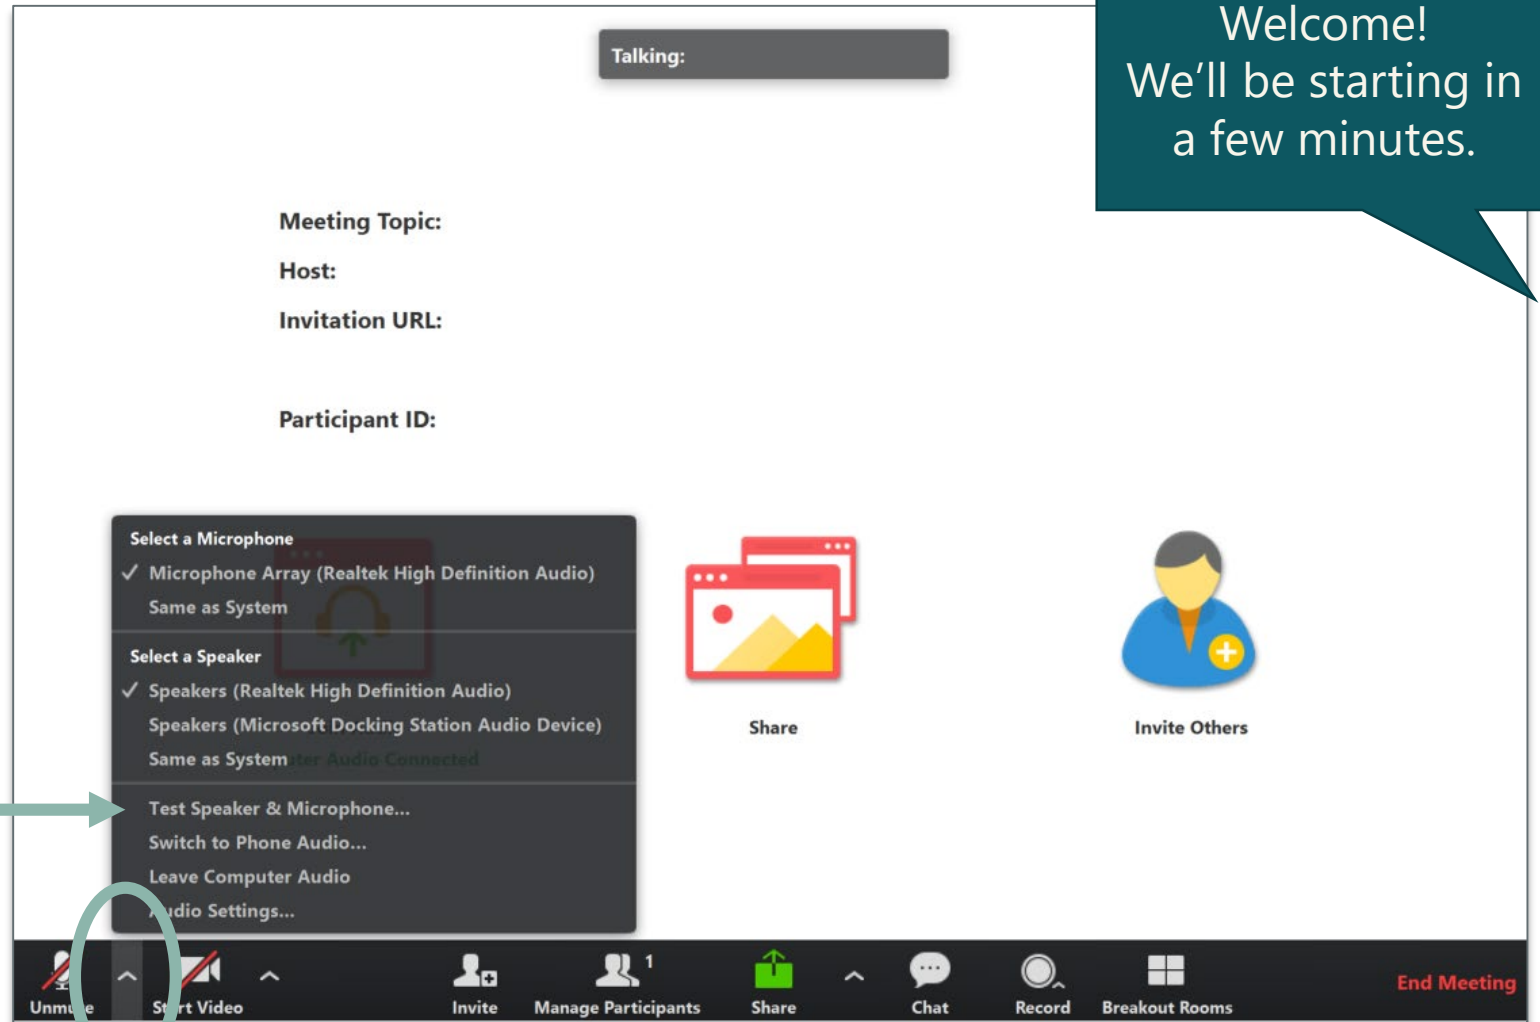

We're going to get started in a few minutes.

**Can you hear us?**

Please let us know in the **chat!**

Test Audio

Welcome!  
We'll be starting in a few minutes.

# Tips for Participating

- Share comments and questions in the **Chat** panel (send to "All")
- Comments and questions may be shared verbally to group, towards the end of the presentation
- Not all questions will be addressed during this webinar, but we will provide follow up to submitted questions
- Questions may always be submitted to Clarisse & Renee following this webinar.

# Local CTE Graduation Pathway – Graduation Alternatives Application (EDS)

- Used to either submit locally approved pathways for consideration and approval; and/or to adopt previously approved pathways for local use.
- Requires approval of CTE Director and District Assessment Coordinator or Designee.
  - CTE Directors must contact their District Data Security Manager (DDSM) for **CTE Director access for the Graduation Alternatives application.**
- Pathway must be entered individually if multiple schools are indicated by the district.
  - The course information entered is tied to CEDARS Course Catalog and is not necessarily the same across all schools in a district.

# Adding a Local CTE Pathway

New Local CTE Graduation Pathway  Use Approved State Local CTE Graduation Pathway

## Submission Information

**Submitted pathway was approved by:**  School Board  School Board Designee  Advisory Committee

**School District:** Auburn School District

**High School:** Auburn Riverside High School ▼

- Once the district and high school is indicated, the system ties the course information to the current high school's CEDARS Course Catalog.
- If multiple schools were indicated for a pathway, each school must be entered separately.

# Choose a CIP (tied to CEDARS HS course catalog)

CTE Pathway **--Select--**

030101 - Natural Resources/Conservation, General

091001 - Publishing

100202 - Video Production Technology/Technician

110201 - Computer Programming

110801 - WebPage/Digital/Multimedia and Information Design

118888 - Computer and Information Sciences and Support Services Cooperative Worksite Experience

120503 - Culinary Arts/Chefs Training

130101 - Careers In Education

138888 - Education Cooperative Worksite Experience

150405 - Industrial Robotics Technology/Technician

151302 - CAD/CADD Drafting and/or Design Technology

151305 - Electrical/Electronics Drafting CAD/CADD

... must identify access to dual credit component of the course, or the IRC that the

**Add Course**

# Select a course

The screenshot shows a web form titled "Add Course". The form has a dark green header bar with the title. Below the header, there are several input fields and a dropdown menu. The "CIP Code" field is filled with "151302 - CAD/CADD Drafting and/or Design Technology". The "Course Title" dropdown menu is open, showing a list of options: "--Select--", "ENGINEER DESIGN ARCHITECTURE 1(CTE401)", "ENGINEER DESIGN ARCHITECTURE 2(CTE402)", "ENGINEER DESIGN ARCHITECTURE 3(CTE405)", and "ENGINEER DESIGN ARCHITECTURE 4(CTE406)". The "Number of Credits" field is also a dropdown menu with "--Select--" selected. The "Program Area" and "Dual Credit" fields are also dropdown menus with "--Select--" selected. At the bottom of the form, there are two green buttons: "Add" and "Close".

- Each course needs to be entered separately
  - Year-long courses that incorporate multiple (semester/quarter/trimester) courses - each course should be entered separately with the credit totaling 1.0.

# Add course information

**Add Course**

**CIP Code:** 151302 - CAD/CADD Drafting and/or Design Technology ▼

**Course Title:** ENGINEER DESIGN ARCHITECTURE 1(CTE401) ▼      **Program Area:** --Select-- ▼

**Number of Credits:**       **Dual Credit:** --Select-- ▼

**Industry Recognized Credential:**

- Each course must have indicated
  - Program Area
  - Number of Credits
  - Dual Credit – Not Applicable, CTE Dual Credit, AP/IB/Cambridge or College in the High School
  - Industry Recognized Credential - indicate N/A if no IRC or Dual Credit
- Click “Add” when done

# Occupational Alignment /Reasoning

## Occupational Alignment/Reasoning:

- Enter specific occupational outcomes aligned with submitted course sequence that justify initial approval.
  - YES: "The competencies learned through this course sequence will support a student to own their own construction trades business and support occupational outcomes such as construction foreman, construction project manager, and frontline supervisors"
  - NO: "Required because it's in different program areas, so we are submitting for student access"
  - NO: "Cross pathway route for alternative to graduation"
  - NO: "Students enjoy taking these courses"

# Advisory Committee Contact Information

## CTE Advisory Committee Members Involved in Review and Approval - Required for submissions approved by advisory committees

If approved by the advisory committee, please identify membership involved in the approval. Members should reflect representatives of business and labor that reflect the local industry and community, and reflect consultation with business, industry, labor, and agriculture. (RCW.28a.150.500). School district employees should not be reflected below.

	Name	Organization/Representation	Email
<input type="button" value="Add"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

- This section only appears if Advisory Committee is selected.
- Enter all information and "Add" for additional members.
- Click "Save" to keep working or "Begin Signature Process" to alert DAC for signature and submit to OSPI.

# View/Edit/Delete

- View approved pathways, list is available to download.
- If a district wants to use an approved pathway, they must "Add Pathway" and indicate  Use Approved State Local CTE Graduation Pathway

# Common Issues/Errors

- As we attempted to submit these on behalf of the districts, we encountered the following errors:
  - CIP indicated in application does not show in drop down list/currently exist in high school's CEDARS Course Catalog
    - Check with DAC and district CEDARS administrator to add information in upcoming CEDARS submission.
  - CIP course title indicated does not match what was listed on application form.
  - Courses listed within CIP course does not match what was listed on form.
  - Multiple courses listed, districts need to enter courses that equal total credit on form.
    - What was listed on application does not match the system.
- Students must earn credit in all of the courses indicated in approved pathway to "meet" Local CTE graduation pathway requirement.

# NEXT STEPS on Previously Submitted Local CTE Graduation Pathways

- Pathways #1-23 minor edits/corrections needed to align to pathway information located on the [April 28 approved list](#).
- Pathways #24 (Franklin Pierce) through #119 (Richland) to enter in the pathway information located on the [April 28 approved list](#).
- Target date to have all approved pathways entered – **Friday, June 5**
- Final approval of pathway occurs when OSPI approves pathways submitted in the Graduation Alternatives application.

# NEXT, NEXT STEPS

- To submit a new local pathway or adopt an OSPI approved pathways
  - Enter into the Graduation Alternatives application in EDS.
  - **No more paper application submissions!**

# Questions and Feedback

- Please use the chat box to submit any questions you still have!
