District Support for
National Board Certification Candidates 2019-2020

An increasing number of school districts in Washington commit resources to support teachers who undertake the rigorous process of National Board Certification.

ABERDEEN: The Aberdeen School District offers up to $1,200 for tuition reimbursement over three years, provides district cohort support for program enrollees and allows paid release time with substitute coverage for the purpose of portfolio work, observations, assessments and final exam. In addition to collaborative support, candidates have access to quality technology such as laptops, tablets, videography equipment, photocopiers, recording and scanning devices.

ASOTIN-ANATONE: The Asotin-Anatone School District approves professional development up to five days.

AUBURN: The Auburn School District allows $500 tuition reimbursement to be used for fees. The district also provides release time, with substitute coverage, when the candidate takes certification exam and provides a district cohort for support while enrolled in the program.

BAINBRIDGE ISLAND: The district provides an OSPI-approved cohort (at no cost to district candidates) as well as the use of district video equipment.

BATTLE GROUND: Candidates can use district $200 classroom account funds and can access two paid professional days to work on portfolios. The district also provides access to copies, computers, and video equipment. BGSD sponsors a cohort that is open to both in- and out-of-district candidates.

BELLINGHAM: The Bellingham School District offers individual staff development funds that can be used towards National Board candidacy. The district also one release day per candidate and an in-district cohort (with $100 of the cohort fee covered by the district).

BELLEVUE: The Bellevue School District will provide the National Board Coordinator, $565 toward fees for first-time candidates, and videography support. The Bellevue Schools Foundation will provide National Board facilitators (1 per 10 candidates) for all candidates (first-time, Take One, renewal and retake candidates).

BETHEL: The Bethel School District provides candidates support cohorts facilitated by district National Board Certified teachers. District filming equipment with microphones is available.

BLAINE: Three release days for portfolio work. There may be some professional development money available which is at the discretion of the building principal.

BREMERTON: The district offers paid release time (for component work and/or testing) upon approval from the principal, and use of District video equipment, computer access, copying availability, and other supplies. Building meeting space is provided for in-district cohort meetings. Free Advanced Candidate support with BSD NB facilitators to develop a plan of action for component retakes. The district financially supports facilitator training.

BRIDGEPORT: Bridgeport School District provides $500 professional development stipends for certificated staff each semester. The stipend is delivered as a re-imbursement upon verification of enrollment in a course of study. The stipend is awarded with authorization from the Bridgeport Education Association, which approves the stipend prior to reimbursement by the district.

BURLINGTON-EDISON: The district allows use of two professional days, one additional release day, provides videotaping equipment, and $500 upon certification. Also offer a local in-district support cohort.

CAMAS: The Camas School District provides equipment and support for video-taping needs and reimburses candidates $500 upon successful certification.

CAPE FLATTERY: The Cape Flattery School District Offers $1000.00 towards tuition reimbursement, 3 release days and access to district equipment.

CARBANADO: The Carbonado School District provides $1000 to be allowed for candidate fees, books, materials, and release days. The district also allows for use of district equipment.

CASCADE: The district offers three release days over two years; access to a computer, video equipment, copy machines, fax, and phone.

CASHMERE: The district offers $500 in fee support.

CASTLE ROCK: Castle Rock School District provides use of district facilities and equipment; tuition expenses are eligible for tuition reimbursement. After receipt of certification, an additional one-time award of $1,250.

CENTRAL KITSAP: The Central Kitsap School District provides an interest-free loan for the application fee, free cohort facilitation for district candidates, two release days, use of building meeting space, video camera, microphone, and copying equipment.

CENTRAL VALLEY: The Central Valley School District offers teachers $350 per year for reimbursement of supplies or tuition. Teachers may

**Information is provided by school districts and subject to change. It is the responsibility of candidates to verify provided information directly with their district**

UPDATED 8/14/2019
carry their stipend forward for an accumulation not to exceed $1050. The district also has available to each qualified employees who applies, a grant for up to $850.00 that can be used for tuition reimbursement and/or sub cost for release time to work on the portfolio.

CENTRALIA: The district allows teachers to use two personal leave days and two release days for National Board work.

CHENEY: The Cheney School District will provide the following support to candidates for the National Board for Professional Teaching Standards: Use of video tapes and equipment, use of copy machine and supplies, help with videotaping, two release days during the completion of the certification process, reimburse the employee $200 annually, up to three years, for the NBPTS fee. The district also financially supports NBCTs who wish to attend the OSPI facilitator training.

CHEWELAH: Chewelah allows up to $250 annually for tuition reimbursement and one release day for candidates. The district provides access to all district equipment for filming, editing and copying materials.

CLE ELUM-ROSILYN: Cle Elum-Roslyn SD provides access to copy machine, video equipment and transcription, some release time/sub time, and in-house facilitation of the cadre.

CLOVER PARK: The Clover Park School District reimburses initial candidates $475 in initial fee support, weekly support seminars facilitated by district NBCT’s, an assigned NBCT mentor, and pays fees for WEA-sponsored state-wide events (Jump Start and Home Stretch). All candidates have access to district copying equipment, meeting space, and Swivl cameras for filming. Additionally, instructional coaches provide videotaping support and portfolio feedback. Renewal candidates have access to up to three cohort meetings per year.

COLTON: Colton School District provides classrooms for regional meetings, equipment, and resources to support the program.

COLUMBIA (STEVENS): The Columbia School District provides up to five release days and use of school facilities and equipment in support of National Board candidates.

COVILLE: The Colville School District will support National Board candidates in the following manner: provide two days of Professional Leave during a teacher’s candidacy; provide one day of Professional Leave for assessment center testing. During the renewal process the district will provide one day of Professional Leave.

CRESTON: Creston School District provides $750 professional development funds for certificated staff each year. The Personal Professional Development Fund may be utilized by the certificated staff to pay for any aspect of professional development. Certificated staff also receive two professional development days to access training during school time. If a certificated staff is pursuing an advanced degree, National Board certification, and/or additional endorsement areas, the district will provide additional out-of-class time on a case-by-case basis. Certificated staff have full and unrestricted access to all of the computer systems, copiers, and other electronics in pursuit of professional development.

DAYTON: The Dayton School District provides a tuition reimbursement pool of $2500.00 per year as well as allowing use of flexible time for professional development allowable in the bargaining agreement.

DEER PARK: The Deer Park School District offers up to five release days for work on the National Board Certification process. Up to two-and-a-half days are provided for retake candidates. In addition, the district provides teachers with $300 for professional expenses, which can be used toward National Board certification costs.

DIERINGER: The Dieringer School District offers $1000 to be used for candidate fees, materials or release days. Additionally, NBCTs receive an annual $1000 bonus in addition to the state bonus.

EAST VALLEY (SPOKANE): The district provides 5 release days for initial candidates and 3 days for Renewal candidates upon their request. Teachers may also use $250.00 Professional Growth monies toward Tuition Reimbursement annually. 20 hours paid for cohort hours at committee pay.

EASTMONT: The Eastmont School District pays accepted National Board Candidates $1,000 of their available Tuition Reimbursement money to assist with costs associated with this endeavor. They need only submit their documentation of their acceptance to the program; the District then pays $1,000.

EASTON: Easton School District provides up to $1,500 and 3 release days for teachers who make the National Board Certification process part of their professional growth plan.

EATONVILLE: Eatonville teachers with National Board Certification earn the state set stipend of $5,280. Teachers working on National Board Certification while teaching in Eatonville can spend their professional development stipend on expenses incurred while attempting to certification.

EDMONDS: The district allows the use of district supplies and equipment for support, and the $50 Professional Development Reimbursement can be used towards National Board fees, Jump Start fees, or support cohort fees.

ELLENSBURG: The Ellensburg School District offers fee support to candidates.

ENDICOTT: The district provides release time and access to district equipment.

ENTIAT: The Entiat School District offers in-district support for National Board candidates.

EVERGREEN (CLARK COUNTY): Evergreen Public Schools offers support for National Board Candidates through the use of the cohort model. Each cohort is led by a trained facilitator and meets 2-3 times for 3 hours. Each component is offered twice a year. The cohorts support each other in developing, editing and completing the entries. The candidates have the option of using district professional funds to finance their program.

EVERETT: Everett Public Schools provides support through communications, support to facilitators and use of facilities and equipment as necessary and
appropriate.

**FEDERAL WAY:** The district offers in-district cohorts led by trained facilitators who provide candidacy process support, provide feedback on entries, organize opportunities to meet with a guest National Board Certified Teachers in matching certificate areas in preparation for assessment center testing, and provide additional information between class sessions as needed. Additionally, candidates may check out video cameras and PZM (Pressure Zone Microphones) from the district’s Teaching for Learning Department. An information session for interested potential FWPS NBPTS candidates is held each spring.

**FERNDALE:** The Ferndale School District offers three release days to work on the portfolio. Also provided is a .1 position paid out of Title IIA to provide one-to-one assistance on development and critique of portfolio entries.

**FIFE:** The Fife School District and the Fife Education association agree that employees who receive National Board Certification receive a one-time stipend of 10% of their base salary. NBCTs new to the district receive a one-time stipend of 5%. Fife also offers in-district support for candidates at a cost of $50 per component.

**FINLEY:** The Finley School District offers $500 for the fee for each teacher pursuing National Board.

**FRANKLIN PIERCE:** Franklin Pierce offers a limited number of scholarships to National Board Candidates. For those accepted to receive the scholarship, the district expects participation in Jump Start and/or Home Stretch classes, offers free cohort support led by district NB facilitators, and allows release time for portfolio work. Candidates have access to videotaping equipment.

**FREEMAN:** The Freeman School District supports National Board candidates with release time and use of district facilities and equipment.

**GOLDENDELA:** The Goldendale School Districts provide $1,000 for each teacher pursuing National Boards. We also give the $1,000 when a teacher renews their certification. The district allows up to two days release time. Also the use of equipment and meeting space.

**GRAND COULEE DAM:** The Grand Coulee Dam School District provides 5 days of professional leave to work on NBC requirements. They also allow the teachers to use technology, video, copiers, etc. Teachers may also leave before the end of their duty day to attend group meetings.

**GRANDVIEW:** Teachers enrolled in the National Teacher Certification program shall receive $500 tuition reimbursement.

**GRANGER:** supports staff in obtaining additional certification, including National Board, with up to two release days and use of district equipment and space as needed.

**GRANITE FALLS:** The Granite Falls School District allows the use of district equipment and meeting space.

**GREEN MOUNTAIN:** Green Mountain School District provides $500 to support tuition and related costs incurred as the candidate works toward the National Board Certification.

**GRITTER:** The Griffin School District allows $900 in tuition reimbursement to be used for National Board fees, offers two release days, and use of technology/equipment.

**HIGHLAND:** Highline School District provides cohort support by trained NBCT facilitators (free to HSD employees); clock hours are available; use of camera equipment; based on funding available, partial reimbursement of expenses, payable in increments upon submission of component(s); 3 days of release time per multi-year candidacy; support for advanced candidates.

**HOCKINSON:** The district pays for two release days to work on the portfolio. After certification, NBCTs are utilized for mentoring and curriculum work.

**HOOD CANAL:** Hood Canal School District provides reimbursement for professional development up to $500 per year, per teacher as per the collective bargaining agreement between the district and the education association. National Board certification coursework is an acceptable use of these funds.

**HOQUIAM:** Hoquiam School District offers access to release time through a pool of funds; access to necessary equipment; 25 hours of pay for professional development; and $500 expense funds.

**INCHELUM:** The Inchelium School District supports National Board candidates with release time and use of district facilities and equipment.

**ISSAQUAH:** The Issaquah School District offers grants to interested teachers and provides in-district support to candidates. Issaquah SD provides candidates with one release day for the Component 1 assessment.

**KELSO:** The Kelso School District will grant to all certificated staff that have been accepted into the National Board Certification Program two (2) profession leave days in addition to using their Personal/Professional Leave day while working on this program. The District has also set aside a finite set of resources in the total amount of $3000 each year to pay substitute costs for teachers who qualify for this support. (Note that this is $3000 total per year, not $3,000 per teacher). The district will also set up a special account to pay for 1000 copies per year per person (black & white only – no color copies or specialty paper).

**KENNEWICK:** The Kennewick School District will give one day of leave with a paid substitute to employees on the day they take the test for National Board Certification.

**KENT:** Per WA State legislation and in recognition of National Board Certification, an annual stipend will be paid as a lump sum per WAC 392.140.973. KSD will repay candidates for their application and registration fees upon successful National Board certification. KSD will provide use of facilities and equipment as necessary and appropriate.

**KETTLE FALLS:** The Kettle Falls School District provides $1,000 to help cover tuition. The district also provides release time, with substitute coverage, when the candidate takes certification exam. In addition, the district provides access to all district equipment for filming, editing, and copying materials.

**Kиона-Bentone City:** The Kiona-Benton City School District offers $500 reimbursement toward the full-candidacy program per year. In addition, the

**Information is provided by school districts and subject to change. It is the responsibility of candidates to verify provided information directly with their district**

**UPDATED 8/14/2019**
The district provides access to all district equipment for filming, editing and copying materials. **LA CENTER:** La Center School District allows release time and up to two (2) days of release time that can be used to work on National Board components. The district also provides a free in-district support cohort for all components. Free clock hours are available along with supplies such as cameras for video components with external microphones and photocopi ers. Teachers may use their $500 tuition reimbursement yearly and can apply to the tuition reimbursement pool twice each year for additional expenses. For those not receiving the State conditional loan, La Center provides an in-district conditional loan **LACROSSE:** Teachers working toward national board certification are provided $1,000 support for tuition, release days for completing the portfolio and additionally district facilities, equipment and supplies to support mentor meetings and the work necessary to successfully complete the program. **LAKE CHELAN:** District will support each candidate by reimbursing up to $1250 of the $2500 application fee, payable upon verified completion of candidacy (submission of portfolio and completion of assessment center exercises). Any candidate receiving the $2000 conditional loan from OSPI will still be eligible to be reimbursed for the $500 initial deposit upon verified completion of candidacy; Providing a support program to be run by a paid, trained facilitator. This support program will be made available at no cost to all LCSD candidates, and will also be available to candidates from outside the district for a fee, depending on availability; Providing up to, but not exceeding, $250 of additional support per candidate, to be used at the candidate’s discretion. Possible uses of this fee include: up to 2½ release days to work on candidate’s portfolio; any extra supplies necessary for candidacy, registration and travel expenses to outside workshops or training sessions related to National Board candidacy (e.g. Jump Start, Home Stretch). Any expenses incurred above and beyond the $250 allocated per candidate will be the responsibility of the candidate; Access to a video camera suitable for recording and producing DVDs for submission with candidate’s portfolio. **LAKE WASHINGTON:** LWSD candidates seeking National Board certification are provided free in-district support through the LWSD NB cohort support class provided by LWSD National Board certified teachers who have completed OSPI NB facilitator training. The NB cohort support class meets monthly on Saturdays, in addition to the 3 contracted release days for each candidate per year. The candidates receive credit and/or clock hours through SPU for attending and completing the NB Components. The district offers a no-interest loan up to $1900.00 to cover the expenses for candidates. The teachers who sign up for the no-interest loan agree to reimburse the district with their first NB stipend. Teachers who receive the no-interest loan agree to serve as informal support for teachers going through National Board certification. The district offers the use of technology support having available to check out digital cameras with directional microphones. LWSD offers free in-district support for Renewal and Advanced candidates, with monthly meetings and 3 contracted release days. **LAKewood (snohomish County):** The district acts as a fiscal agent for a facilitator to support local candidates and provides candidates with free clock hours for completion of the local cohort. Candidates also have access to building resources for work on entries and meet as a cohort. Candidates may apply for professional development funds within their buildings. (Note: candidates are encouraged to apply for a substitute for the school day used taking component 1 assessment or for days missed to attend WEA’s Jump Start. Candidates are discouraged from applying for assistance with fees payable to NBPTS, WEA, or for facilitation/cohort fees.) District support is subject to the collective bargaining agreement. **LIBERTY:** The Liberty School District provides candidates up to three release days and use of buildings and equipment. **LOPEZ ISLAND:** Lopez Island School District offers its teachers use of district equipment and facilities and National Board candidates may also be reimbursed $250 per school year for tuition expenses related to their certification. **LYNDEN:** The District provides $1,150 to each teacher working on the program and will provide three (3) days of release time or the teacher may be reimbursed at the sub rate of pay for up to three (3) days for time spent outside the school day. Upon attainment of National Board Certification, the teacher will receive an annual stipend of $1000. **MABTON:** Candidates receive a stipend for completion and submission for National Board application materials. There is release time for observations, peer collaboration. Candidates may use district equipment: video, camera, computer and printer etc. **MANSOn:** Manson School District provides release time for teachers working on their national board certification. Teachers may also apply for additional financial support from an established professional development fund. **MARYSVILLE:** The district provides five release days for National Board work. Marysville also provides National Board candidates access to Tuition Reimbursement funds of $500 for 0-5 yrs experience and $200 for over 5 yrs experience. In addition, any unused dollars in the pool can be accessed the following year through a pooling process outlined in the Collective Bargaining Agreement. Marysville also offers an in-district support group and offers candidates unlimited copying of materials. **MEad:** The district allows teachers to use their $500 professional fund toward National Board fees. **MERcER ISLAND:** The district pays $950 dollars toward National Boards, with participation in a cohort and upon a passing score for two components. The district also supports National Board renewals by paying for the full $1250, upon passing. Additionally, the district provides access to technology, as needed. **MEridIAn:** The Meridian School District pays an additional $900 to all NBCTs each June. Teachers can apply for up to $2000 for district support paying National Board costs. **MONROE:** Monroe Public Schools provides each teacher with $551 for tuition or supplies. Teachers could use these dollars to support their National Board process. **MOSEs LAKE:** Moses Lake offers 3 opportunities a
year for candidates to participate in a professional development lottery, as well as participation in a percentage of National Board funding provided by the district. Over the 3-year National Board component cycle, teachers may apply yearly for these funds. In addition, Moses Lake provides assessment preparation, use of district equipment, and 2 release days per year in the candidate’s National Board cycle.

MOSSYROCK: Mossyrock School District allows access to district technology and other resources. Mossyrock also has a formal cohort established to provide on-going support.
