

This school district assures the Office of Superintendent of Public Instruction (OSPI) of a commitment to:

- Identify high school(s) that will teach the Bridge Course(s). Support leadership of participating schools (building principals or administrative designees) as they implement the Bridge Course in their school.
- Release all participating teachers for up to 5 meetings during the school year for course training (2) and Community of Practice meetings (3) and support NEW teacher participation in 2-day summer professional development.

August 4-6, 2021, Bridge Course Virtual Summer Institute for NEW teachers

Middle of October, 2021 — date TBD – Regional or Local Community of Practice

Middle of November, 2021 — date TBD — Regional Training or Community of Practice

Middle of January, 2022 — date TBD – Regional or Local Community of Practice

Middle of February, 2022 — date TBD – Regional Training or Community of Practice

Middle of April, 2022 — date TBD – Regional or Local Community of Practice

- Pay per-teacher registration fees: \$1,500 per NEW teacher; \$300 per RETURNING teacher.
- Ensure NEW teacher participation in the required Virtual Summer Institute.
- Support any travel, sub or supply costs incurred during the school year for new and returning teachers.
- Use specified Bridge Course name and code in CEDARS and school catalogue.
- Math – Bridge to College Mathematics - WA 0003
- ELA – Bridge to College English Language Arts - WA 0001
- Respond to communications and requests from OSPI and SBCTC in a timely manner including updating registration with current teacher information.
- Collaborate with OSPI, State Board for Community and Technical Colleges (SBCTC), and project evaluators (the BERG Group) to support Bridge Course evaluation and refinement efforts, including responding to requests for student data and providing access to classrooms and teachers for observations and gathering feedback related to course implementation.
