Tribal Sovereignty Curriculum
Guiding Principles

1. Teach with a multiple perspective

2. Focus on the tribal group(s) closest to the school first.

3. Deal with real life, sometimes controversial issues.

4. Connect the head with the heart with the hands for learning.

5. Recognize that culture is dynamic and always evolving.

6. Stress the resiliency of Native cultures, despite intentional oppression and neglect.

7. Emphasize that co-responsibility for change involves developing allies who know how to take action.
