### **COVID-19 Student Survey**

Our school is participating in the COVID-19 Student Survey: Impacts and Implications on Student Learning and Well-being in February 2022. The survey will be given to students in grades 6 to 12 throughout the state.

The survey includes questions related to physical and mental health, thoughts and feelings pertaining to school during the pandemic, adult and peer support, and COVID-19 precautions. Survey results are used by teachers, school leaders, parents, community partners, and policy leaders to help understand how to meet the needs of the youth in the state.

Participation in the survey is voluntary, and the students' answers are anonymous.

Please read the Parent and Student Notification FAQ document for more information about the survey. You can also find a copy of the survey and additional information on <https://www.k12.wa.us/student-success/health-safety/covid-19-student-survey>

### **EMAIL**

**Please distribute to parents of students in grades 6-12 that will be participating in the COVID-19 Student Survey. Attach the appropriate Parent and Student Notification FAQ document.**
