- Yes No If Yes, explain:

Purpose: OSPI is adopting permanent rule revisions regarding data collection requirements on the annual S-275 school personnel report after the 2018 Washington Legislature made significant changes to how school districts are funded and how educators are compensated. The Washington Legislature no longer provides funding to school districts for teacher salary and benefits tied to their education level (degree and credits) and certificated years of experience. These rule revisions implement those changes while continuing to collect S-275 education and experience data as needed.
