EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The 2022 supplemental budget (ESSB 5693) implements SSHB 1664 which provides increased funding allocations for physical, social, and emotional support through the prototypical school funding model beginning with the 2022-23 school year. Maximum allocations to local education agencies are subject to compliance rules as drafted by OSPI. These changes are required to ensure that local education agencies receive an allocation for basic education that is in alignment with the state budget. Without these rules, local education agencies could receive state basic education allocations in excess of what the RCW and state budget language allows.

OSPI began the regular rule making process by filing a CR-101 Pre-proposal Statement on June 21, 2022, WSR 22-13-162.
