Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The rule change removes the requirement concerning reviewing remote and necessary small school plants every four years to determine if the school can continue to keep their remote and necessary status. Existing statutes & rules establish the conditions necessary to become a remote and necessary district and further defines conditions when a school would lose its remote and necessary status. The conditions that designate the remote and necessary status do not change due to the remoteness of the schools. The change will save administrative time and effort.
