- Yes No If Yes, explain:

Purpose: This rule change eliminates WAC 392-121-415(2), which currently requires the Office of Superintendent of Public Instruction (OSPI) to deduct proceeds from state forest payments under RCW 79.22.040 and 79.22.050 from school district and charter school basic education apportionment payments. Eliminating the requirement to treat state forest revenue as a deductible revenue will allow approximately 80 school districts, mostly rural, to keep approximately \$13 to \$17 million in funds from which they currently get no benefit.
