Purpose: This permanent rule makes several changes to chapter 392-144 WAC pertaining to school bus driver qualifications. Among other things, the rules clarifies the requirement regarding missed annual in-service training and defines when the entire training course must be retaken. Under the disqualifying violations, reckless driving was added, and a positive drug or alcohol test report was defined. A new section is adopted regarding the medical requirements to comply with federal and state regulations and clarifying the exemption and waiver process. Language has been added to give school districts the opportunity to enter into an inter-local agreement with another district to share drivers. And technical revisions have been made throughout the chapter.
