**Purpose:** This revision to WAC 392-141-410 allows for a one-year carryover of the one-time legislative salary and benefit increase included in the transportation operations allocation for the 2018-19 school year. This stems from the state-funded increase in compensation for school district employees that came with the passage of E2SSB 6362. The purpose of this permanent rule is to give school districts time to spend the carry-over funds for allowable expenditures in the current school year and avoid unnecessary recovery of unexpended transportation funds.
