EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Immediate adoption of this rule is necessary to provide direction and guidance to school districts before the start of the 2019-2020 school year regarding the allowable expenditure of Learning Assistance Program funds for early screening of dyslexia. The rule is necessary to ensure that school districts maintain support for other academic initiatives for the betterment of all students in the district. OSPI intends to file a preproposal statement of inquiry to initiate rule making adopting this amendment as a permanent rule.
