**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** Immediate suspension of part of WAC 392-410-135 (1) is necessary to provide flexibility for school districts to adopt and implement a COVID-19 reopening plan that keeps students and staff safe and provides students with the opportunity to access educational services. A school district's decision to operate a hybrid or fully remote learning model and to practice social distancing will directly impact the district's ability to offer 100 minutes per week of face-to-face instructional time for all students in grades 1-8. This change does not remove the requirement for all students in grades 1-8 to receive instruction in physical education, per RCW 28A.230.040.
