Purpose of the proposal and its anticipated effects, including any changes in existing rules: The purpose of these proposed rule amendments is to make housekeeping and other technical changes to Chapter 392-122 WAC, Finance—Categorical Apportionment, and WAC 392-140-916 through 392-140-939. The amendments would update the chapter to align with state and federal statutes, simplify the language for clarity and readability, and make other technical revisions.
